

*Celebrating*  
**15 Years**  
*of Accomplishment*

April 27, 2010 | Bethesda, Maryland

## AGENDA

- 8:00–9:00 a.m. Registration (light refreshments available)
- 9:00–9:15 a.m. Welcome – *Robert Croyle*
- 9:15–9:30 a.m. Establishing the BCSC as a Model for Evaluating Screening in Community Practice – *Rachel Ballard-Barbash and Stephen Taplin*
- 9:30–11:45 a.m. BCSC as a Research Resource**
- 9:30–9:45 Cancer Screening Surveillance in Clinical Practice – *Tracy Onega*
- 9:45–10:00 CISNET – *Kathy Cronin*
- 10:00–10:15 Factors Affecting Variability of Radiologists (FAVOR) – *Joann Elmore*
- 10:15–10:30 Discussion
- 10:30–11:00 Refreshment Break**
- 11:00–11:15 BCSC as a Resource for Junior Investigators – *Shelley Hwang*
- 11:15–11:30 BCSC as a Platform for Comparative Effectiveness Research – *Diana Buist*
- 11:30–11:45 Discussion
- 11:45–1:15 Group Lunch and Walking Break**
- 1:15–4:00 p.m. BCSC's Contribution to Science and Its Impact on Clinical Practice**
- 1:15–1:30 Risk Factors in Breast Cancer – *Karla Kerlikowske*
- 1:30–1:45 Risk Models in Breast Cancer – *Bill Barlow*
- 1:45–2:00 Discussion
- 2:00–2:15 Clinical Screening Benchmarks and the Angoff Method – *Robert Rosenberg*
- 2:15–2:30 Clinical Diagnostic Mammography Benchmarks – *Ed Sickles*
- 2:30–2:45 Discussion
- 2:45–3:15 Refreshment Break**
- 3:15–3:30 Understanding Factors That Affect Mammography Performance: Contribution of the BCSC – *Bonnie Yankaskas*
- 3:30–3:45 Methodologic Advances to Understand Variability in Mammography Practice – *Diana Miglioretti*
- 3:45–4:00 Discussion
- 4:00–4:45 Interventions to Improve Performance**
- 4:00–4:15 FAVOR Intervention Aim 3: A Randomized Trial Designed to Reduce Unnecessary Recall – *Patty Carney*
- 4:15–4:30 Developing Interventions for Improving Mammography: AIM Study Design – *Berta Geller*
- 4:30–4:45 Discussion
- 4:45–5:00 p.m. Impact of BCSC and What Is Left To Be Done – *Stephen Taplin*
- 5:00–6:00 p.m. Break**
- 6:00–7:00 p.m. Reception – *co-sponsored by the American Cancer Society and Susan G. Komen for the Cure*
- 7:00–9:00 p.m. Dinner – *co-sponsored by the American Cancer Society and Susan G. Komen for the Cure*
