

National Cancer Institute

Center to Reduce Cancer Health Disparities

Diversity Training Branch

Cancer Health Disparities Summit

July 18, 2007

U.S. DEPARTMENT
OF HEALTH AND
HUMAN SERVICES

National Institutes
of Health

DTB GOALS

- Broaden the participation of diverse populations (*r/e minorities, socio-economically deprived and 1st generation college students*) while strongly encouraging a competitive mind-set
- Raise the level of the competitive research capacity of Minority-Serving Institutions
- Raise the level of the effectiveness of programs and organizations outside NCI

DTB INITIATIVES

Diverse Populations

CONTINUING UMBRELLA OF
RESEARCH EXPERIENCES

Minority Institutions

MINORITY INSTITUTION
CANCER CENTER
PARTNERSHIP

- 1. Increase the size of the talent pool**
- 2. Emphasize scientific areas of greatest need**
- 3. Expand and extend the period of training**

Continuing Umbrella

Research Experiences

HS Undergrad Predoctoral Postdoctoral Junior Investigator

CNP Supplements

Research Supplements

Cancer Center Grant: P30

Training Grants: T32

Cancer Education Grant: R25T

Fellowships: F31

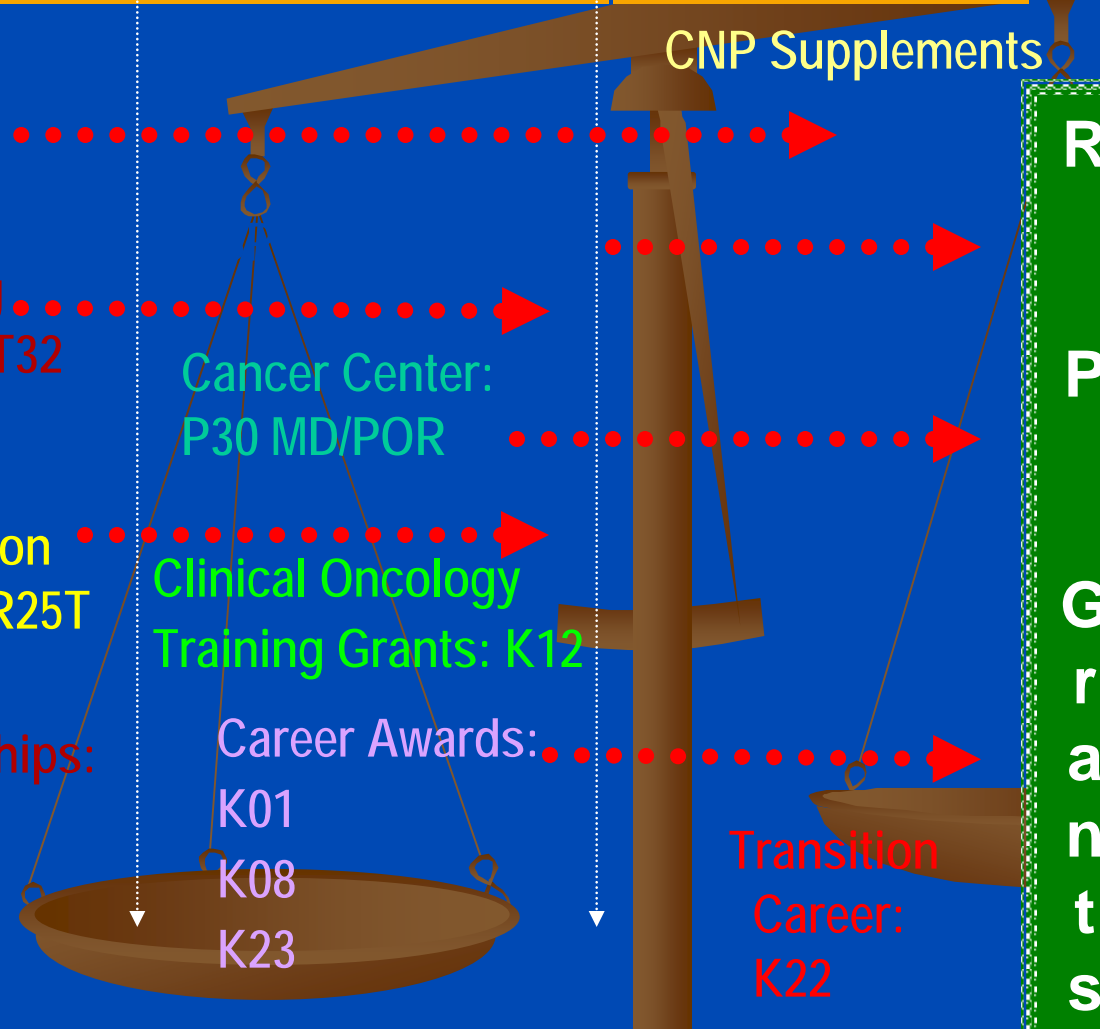

Cancer Center: P30 MD/POR

Clinical Oncology Training Grants: K12

Career Awards: K01, K08, K23

Transition Career: K22

High School	<ul style="list-style-type: none"> -Research Supplements to Promote Diversity in Health-Related Research -P30 CURE Supplements to Cancer Centers
Undergraduate	<ul style="list-style-type: none"> -Research Supplements to Promote Diversity in Health-Related Research -P30 CURE Supplements to Cancer Centers
Graduate	<ul style="list-style-type: none"> -Research Supplements to Promote Diversity in Health-Related Research -Kirschstein NRSA-Predocctoral Fellowship to Promote Diversity in Health-Related Research (F31) -NRSA T32 CURE Supplements to Institutional Training Grant
Postdoctoral	<ul style="list-style-type: none"> -Research Supplements to Promote Diversity in Health-Related Research -NRSA T32 CURE Supplements to Institutional Training Grant -R25/K12 CURE Supplements to Education/Clinical Oncology Grants -Career Development Awards (K01, K08, K23)
Junior Investigator	<ul style="list-style-type: none"> -Research Supplements to Promote Diversity in Health-Related Research -R25/K12 CURE Supplement to Education/Clinical Oncology Grants -Career Development Awards (K01, K08, K23) -Transition Career Award (K22) -CNP Supplements

Specific CTB Awards

NIH Ruth L. Kirschstein National Research Service Awards (NRSA) for individual Postdoctoral Fellows (F32)

<http://grants.nih.gov/grants/guide/pa-files/PA-07-107>

Howard Temin Pathway To Independence Award (K99/R00)

<http://grants.nih.gov/grants/guide/pa-files/PA-07-297.html>

- Supports a seamless transition from mentored (K99) to independent (R00) phase of career
- NCI restricts eligibility to PhD basic scientists working in human cancer research

Diversity Training Branch
