

Xin Wei Wang, PhD

Laboratory of Human Carcinogenesis
NIH Campus, Bethesda

Words to live by...

Find out what you like doing best and continue them as long as you are happy 70% of the time.

What is your favorite thing about working at NCI?

A conducive environment to support high-risk, high-reward research topics.

In my spare time, I enjoy...

I enjoy traveling and fine dining with my family. I like to do painting and wish to have more free time to do so.

My favorite traditions/holidays...

Thanksgiving day with my family.
