

Brigitte C. Widemann, MD

Pediatric Oncology Branch
NIH Campus, Bethesda

Words to live by...

Do not give up. You learn something from every defeat. Pay it forward. Try not to take yourself too seriously.

What is your favorite thing about working at NCI?

The wonderful colleagues and patients and the freedom to pursue my ideas.

In my spare time, I enjoy...

I love spending time with my family (including cats), travel, walking, cooking, music, reading, and being outside.

My favorite traditions/holidays...

Halloween, especially when my kids were young
