

Mark Sellers, PhD

Program Analyst, iCURE
Center to Reduce Cancer Health Disparities
NCI Shady Grove

Words to live by...

Make the best decisions you can with the information you have available at the time.

What is your favorite thing about working at NCI?

Supporting and promoting both research projects and people on the cutting edge of science and medicine

In my spare time, I enjoy...

- Indoor rock climbing
- Learn and practice cooking from YouTube videos
- Play video games (ask me which ones!)
- Share dog and cat videos on Facebook

My favorite traditions/holidays...

I enjoy Halloween and seeing all of the amazing costumes put together by highly talented people.
