- 5 cores, 12 projects

**Teaching
Research
Outreach**

Partnership for the Advancement of Cancer Research (PACR)

Program directors:

Graciela Unguez, PhD (NMSU) & Julian Simon, PhD (Fred Hutch)

Program Managers:

Helena (Lené) Loest (NMSU) & Marilyn Drennan (Fred Hutch)

U56
2002-2007

U54-1
2007-2013

U54-2
2013-2018

U54-3
2018-2023

Best Practices

- People
- Places
- Processes

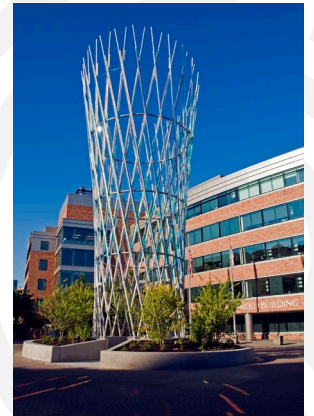

Best Practices-People

- Your Counterpart
- Program Directors
- Program Officers and Program Steering Committee
- Your Program's Stakeholders- know your "people"
 - Student
 - Faculty
 - Committee members
 - Community

Best Practices-Places

- Get to know your own institution
 - Pre and post award
 - Budgets
 - Sponsored Projects accounting (fiscal monitor)
 - College and department accounting
 - HR, IRB Office, ICT department
 - Institution Administration
- Partnership institution:
 - Meet your partner's support team
 - Learn how your partnership institution works
 - Different deadlines
 - Teaching loads vs. research deadlines

Best Practices-Processes

- Be proactive
- Pay attention to detail
- Keep learning to expand your skill set
- Know your program
- Create a network

Best Practices-Processes

Process Resources:

- SQL database for tracking
- REDCap for surveys
- (From Polycom) to Zoom for meetings
- Microsoft Teams
- Conference phone lines

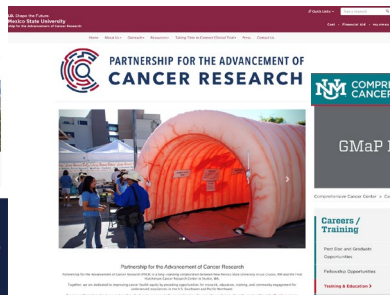

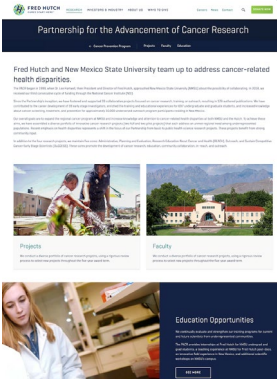

Best Practices-Processes

Process Resources: Dissemination of Information

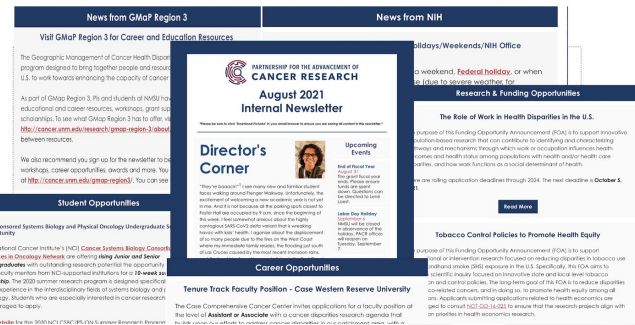

Partnership Websites:

- cancer.nmsu.edu
- fredhutch.org/pacr
- unmhealth.org/cancer/career/training-education/gmap.html

Partnership Newsletters:

- Monthly Investigator Newsletter:
 - current and former U54-PACR faculty and students
- Quarterly Newsletter to **everyone**:
 - NMSU & Fred Hutch administration, PSC, IAC, Community groups, current and former U54 investigators and students etc.
